## Top Skills

Azure DevOps Services

Cloud Services

Azure DevOps Server

## Certifications

AWS Certified Solutions Architect - Professional

# Rishi Raj

Cyber Infrastructure Engineer | AWS | Azure | GCP  
Bangalore Urban, Karnataka, India

## Summary

Experienced Cloud Engineer with around 3 years of experience with a strong background in both Cloud Security and DevOps roles. Proficient in architecting, implementing, and optimizing cloud solutions on AWS, Azure, and GCP. Skilled in Terraform, Git, and Linux, I specialize in automating workflows and ensuring high availability and scalability. My expertise includes cloud security practices, threat detection, and incident response. Adept at troubleshooting complex issues and committed to continuous learning, I bring a results-driven approach to drive organizational success in the dynamic landscape of environments.
